President's Corner

"Bull's Eye"

I hate to start off a newsletter with bad news but Frank Hametner, NLUS Life Member (31 years), Naval Aviator, former Coast Guards man, golfer, husband, father, grand father, and dear friend passed away 03 August 2019 of stomach cancer in San Antonio, TX.

Schools have started so we should be getting updates from our JROTCs in the next publication.

Please mark your calendars for our **22nd Annual Coast Guard Awards Ceremony and BBQ**: We have set the date, 21 February 2020 at Valent Hall (Coast Guard Headquarters at the Corpus Christi International Airport). If you can please make an effort to attend, it is a super event (even if I say so...).

I hope that you have a great Labor Day, be safe. Pray for the Floridians and that Dorian stays away.

*Bull*

**Support the men and women of the Sea Services.**

**Provide assistance to Sea Service families.**

**The US Navy has approximately the same number of ships today as BEFORE World War II. A serious decline that began in the 1990s and continues today due to insufficient funding.**

**95% of world-wide trade is now transported by sea.**

**The deterrent value of a strong Navy and Coast Guard and the need to protect the commercial sea lanes and maritime borders are necessary for our nation's continued vitality and strength.**

**America's security and economic interests extend to every region of the globe.**

**If you would be interested in supporting the United States Sea Services please give us a call or drop us a note. A membership application is on the last page of the newsletter.**

**Thank you!**

*Los Falcons are gearing up for another great year. After our fabulous teacher training, we are now ready to start with the new corps of cadets and continue with our goal of making it to the State finals once again. With over 80 cadets out practicing in our beautiful summer climate, we are bound to find at least some that can contribute. Looking forward to the competitions this year and hoping everyone stays safe. Enjoy this year.*

# WHEN THE NEXT VICTIMS CALL FOR HELP, WOULD YOU MIND IF WE PUT THEM ON HOLD?

**Typhoon Haiyan in the Philippines.  
The earthquake and tsunami in Japan...**

When allies are hit hard by natural disasters, our Navy's speed and flexibility save lives and strengthen ties. Yet despite all we ask this vital force to do, we have been underfunding it for years. Our fleet needs more ships, better weaponry and next-generation technology. Tell Congress you support more funding now. It really is a life-and-death emergency.
