We need YOU as a citizen in support of the Sea Services (United States Navy, United States Marine Corps, United States Coast Guard, and U.S. Flag Merchant Marine).

Who is the Navy League?

It is a community service organization with over 45,000 members worldwide, and 250 councils (chapters) conducting activities in local communities.

Theodore Roosevelt promoted the founding of the Navy League in 1902, which was supported by the civilian and business communities – the tradition that continues today.

AND EVERYONE is eligible to be a member, we are all civilians.

Mission and Goals:

To educate national leaders and the nation in the necessity of a strong Maritime Service.

Support the men and women of the Sea Services.

Provide assistance to Sea Service families.

Support youth programs.

Did you know?

The US Navy has approximately the same number of ships today as BEFORE World War II. A serious decline that began in the 1990s and continues today due to insufficient funding.

95% of world-wide trade is now transported by sea.

The deterrent value of a strong Navy and Coast Guard and the need to protect the commercial sea lanes and maritime borders are necessary for our nation's continued vitality and strength.

America's security and economic interests extend to every region of the globe.

If you would be interested in supporting the United States Sea Services please give us a call or drop us a note. A membership application is on the last page of the newsletter.

Please pass this newsletter to a friend and ask them to join us.

Thank you!

WHEN THE NEXT VICTIMS CALL FOR HELP, WOULD YOU MIND IF WE PUT THEM ON HOLD?

**Typhoon Haiyan in the Philippines.
The earthquake and tsunami in Japan...**

When allies are hit hard by natural disasters, our Navy's speed and flexibility save lives and strengthen ties. Yet despite all we ask this vital force to do, we have been underfunding it for years. Our fleet needs more ships, better weaponry and next-generation technology. Tell Congress you support more funding now. It really is a life-and-death emergency.

DON'T LET THE NAVY-MARINE CORPS TEAM BE CUT SHORT.
